Dear Chairman Upton, Ranking Member Waxman, Chairman Walden, and Ranking Member Eshoo:

We write to commend you on your bipartisan agreement to reauthorize the Satellite Television Extension and Localism Act (STELA). The ABC Television Network and our eight owned television stations support your agreement to move forward on the legislation. We urge the Committee to pass the bill free of amendments. We appreciate the opportunity to share our views with the Committee throughout the legislative process, and we look forward to working with you as the legislation moves to the floor of the House of Representatives.
